## **25<sup>th</sup> Asian Men's Club League Championship**

**(Qualification for Super Globe- KSA 2023)**

**1 - 10 June 2023, Isfahan / IRAN**

### **Preliminary round, main round, places**

The preliminary round, main round and places are played in groups. The matches shall be evaluated as follows :

- each match won = 2 points
- each match drawn = 1 point for each team
- each match lost = no points

Teams are ranked according to the total number of points gained .

For the main round, only those results from the preliminary round are taken into consideration that were obtained against teams that also qualified for the main round .

This means that points achieved as well as goals scored and conceded against these teams are carried over from the preliminary round to the main round .

If two (2) or more teams have gained the same number of points **during a competition phase, before all group matches have been played** ,teams are ranked according to the overall goal difference .

**However** ,if two (2) or more teams have gained the same number of points **after the group matches have been completed** ,their ranking is decided based on the following :

- results in points between the teams concerned
- goal differences in the matches between the teams concerned
- greater number of goals scored in the matches between the teams concerned

If the teams are still equal, a decision is made between those teams with equal number of points as follows :

- goal difference is subtracted in all matches
- greater number of goals scored in all matches
